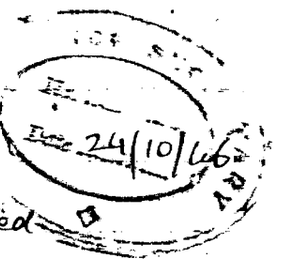
Education)



11) The Public Health Committee recommended the establishment of a Hospital at Sakolespur. The Coordination and Finance Committee have also supported the said recommendation. Accordingly the S.S. has was requested to submit detailed proposals for the same. There is one L.I. dispensary and one Maternity hospital at the place at present. The present proposal of the S.S is that in place of these two medical institutions, a hospital of the grade of a Dist hospital should be established at the place. One II class Asst Surgeon and a Lady S.A.S are in charge respectively of these two institutions. The proposal of the S.S. is to have a I class Asst Surgeon and a II class Lady Asst Surgeon for the proposed hospital and to have in addition a medical probationer and a Lady Sub Asst Surgeon and a male Sub Asst Surgeon. It is a matter for consideration that when we have a well equipped ~~Dist~~ and staffed ~~hosp~~ Dist hospital at Hassan which is only 24 miles from Sakolespura, and when it is under contemplation that there should be established a Malaria Research Institute at Sakolespura, is it necessary

WD 03814—GPB—15,000—20-7-46

Serial No.

is it necessary to have an hospital of the grade and status of a Dist. Hospital at Sakoleshpura. Besides the local bodies viz. the Dist Board and the Municipality have, on the score of their poor financial resources, pleaded their inability to contribute anything towards the extra cost both recurring and non-recurring incidental to the establishment of a Dist. hospital at Sakoleshpura the extra cost by way of recurring expenditure is stated to be about Rs.15,000/- p.a over and above the dearness and other allowances etc. If it were the only recurring charges, it would have been something. But with the establishment of a hospital, the annual maintenance charges, medicine charges etc, apart from the large sums required for proper equipping the hospital would be going to cost substantial sums of money. We have hardly got in our State two hospitals in each Dist. The present proposal is the first of its kind. This proposal has originated mainly on account of the Col. Crawford having contributed substantially towards the construction of the hospital buildings. Of course, Sakoleshpur is in the thick of

Additional staff required for the New Crawford Hospital, Salcolespura

File No. Med. of 194 . 1589

General and Revenue Secretariat

Serial No.

the Malnad area. But we have yet two Health units in the Taluk and it would be more advantageous to have more Health-units in the interior. We have under consideration to have two mobile dispensaries for each of the Malnad dists in the State. Besides we have to take actions to implement the recommendations of the Malnad Improvement Committee. Reference is already made to the proposal for establishing a Malaria Research institute at Salcolespura. Under these circumstances, it does not seem necessary to establish a hospital of the kind proposed now at Salcolespura. It seems to be enough if additional establishment is sanctioned for additional wards and etc, the medical staff remaining as at present and the two institutions being combined.

CIRCULATION NOTE.

Subject:- Additional staff for the new Crawford Hospital, Saklespur.

The question of starting a new hospital at Saklespur was taken up as one of the Post-war Schemes of Medical Development and has been recommended by the Public Health and Co-ordination Committees.

The Senior Surgeon has reported that the new Crawford Hospital Building is completed and has therefore proposed certain additional staff at an extra cost of Rs.14,440/- per annum.

The pay and allowances of Assistant Surgeons, Sub-Assistant Surgeons and Nurses has been revised, since, and extra cost has to be according to the revision recently sanctioned. The scale of pay proposed for menial staff is also capable of reduction to some extent. Taking the revision of scales and the possible reduction in the streng and scale of pay of the menial staff, it is proposed to sanction the staff as indicated in the statement annexed at an extra average cost of Rs.1,630/- per mensem or Rs.19,560/- per annum.

The equipment required for this hospital has already been sanctioned in Government Order No.M.3244-6/Med.24-45-56 dated 23rd September 1946.

This has been ordered to be disposed of by circulation.

...OSAL BY CIRCULATION.

Minister, Rev. WP 30/P/47

CIRCULATION NOTE.

Subject:- Additional staff for the new Crawford Hospital, Saklespur.

The question of starting a new hospital at Saklespur was taken up as one of the Post-war Schemes of Medical Development and has been recommended by the Public Health and Co-ordination Committees.

The Senior Surgeon has reported that the new Crawford Hospital Building is completed and has therefore proposed certain additional staff at an extra cost of Rs.14,440/- per annum.

The pay and allowances of Assistant Surgeons, Sub-Assistant Surgeons and Nurses has been revised, since and extra cost has to be according to the revision recently sanctioned. The scale of pay proposed for menial staff is also capable of reduction to some extent. Taking the revision of scales and the possible reduction in the strength and scale of pay of the menial staff, it is proposed to sanction the staff as indicated in the statement annexed at an extra average cost of Rs.1,630/- per mensem or Rs.19,560/- per annum.

The equipment required for this hospital has already been sanctioned in Government Order No.M.3244-6/Med.24-45-56 dated 25rd September 1946.

This has been ordered to be disposed of by circulation.

N. Duppa

Submitted to His Highness.

I submit herewith a Final Note by the Minister for Education and Public Health on the proposal to sanction the appointment of additional staff for the new Crawford Hospital, for the gracious sanction of His Highness.

A Ramaswami Mudaliar.

Bangalore,
7th July 1947.

DEWAN.

Final Note by the Minister for Education and Public Health

Subject— Additional staff for the new Crawford Hospital

NJ

The Senior Surgeon reports that the construction of the new Crawford Hospital, Saklespur, has been completed and requests sanction to the appointment of additional staff estimated to cost a recurring expenditure of Rs.14,440/- per annum. But on adopting the scales of pay of the medical and nursing staff as recently revised and taking into account the possible reduction in the strength and scales of pay of the menial staff, the cost of additional staff comes to Rs.19,560/- per annum.

It is proposed to sanction the additional staff at an additional cost of Rs.19,560/- per annum. The Dewan and the other Ministers agree to the proposal, and I solicit the gracious sanction of His Highness to the same.

[C. F. No. 46] **GOVERNMENT OF MYSORE**

No. C1676-2 OFFICE OF The Senior Surgeon in Mysore,
Encls. 4. Bangalore.

Date 6th August 1946.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Medical Department, Bangalore.

Sir,

Additional staff required for the new Crawford Hospital, Saklespur.

In submitting herewith a proposition statement, in duplicate, for additional staff required for the above hospital, I have the honour to state that a skeleton - scheme in respect of this proposal has been included in the post war schemes of this Department (Scheme No.11). At present, the Local Fund Hospital at Saklespur is maintained by the Local Bodies in accordance with the standing orders. As the Crawford Hospital is a bigger institution, it was felt that the Local Bodies should also contribute towards a portion of the expenditure for its maintenance.

The District Medical Officer, Hassan who was instructed to address the District Board and Municipal Council, Saklespur in the matter has submitted the resolutions - received from them. Both the District Board, Hassan and the Town Municipal Council, Saklespur have pleaded their inability to contribute any portion of the extra cost on the ground of poor finances.

As the opening of the institution cannot be delayed long the cost on account of the extra staff proposed has to be met out of Government grants. I, therefore, request you to obtain sanction of Government for the additional staff proposed at an extra cost of Rs.1,205/- per mensem or Rs.14,460/- per annum. The Local Bodies should, however, continue to pay their present share of contribution. The extra cost on this account will be met out of the lumpsum

lumpsum provision of Rs.10,000/- made under XIII Local Fund Dispensaries in the current year's budget estimate. The amount required in excess of this will be met out of the sanctioned grants of the Department. The resolutions of the local Bodies are herewith submitted.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.

Sir,

RE: PROPOSITION STATEMENT RELATING TO THE REVISION OF PAY OF THE STAFF ATTACHED TO THE CRAWFORD HOSPITAL AT SAKALESPUR.

Ph C.P. W. 13/9

I have the honour to return herewith duly verified the above proposition statement in duplicate received with your letter No.M.1881/Med 63-46-2 dated 20th August, 1946 subject to the remarks made therein. As the Local Allowance is required to be drawn with reference to the pay of the Officials concerned the same is omitted both under the present and proposed scales of pay. The proposals involve an extra cost of Rs.1203 9/20 per mensem or Rs.14.441 2/5 per annum.

I have the honour to be,
Sir,
Your most obedient servant,

Education Department

To

The Senior Surgeon in Mysore,

Bangalore.

Sir,

With reference to your letter No.C.1676-2 dated 6th August 1946 forwarding proposition statement for additional staff required for the new Crawford Hospital at Saklespur, I am directed to state that at present there are two Health Units in the Taluk and that proposal for starting two mobile dispensaries for each of the Malnad districts in the State is also under the consideration of Government. Government have also to take action to implement the recommendations of the Malnad Improvement Committee and that a proposal for establishing a Malaria Research Institute at Saklespur is also under consideration. I am to state that under the circumstances, it does not seem necessary to establish a hospital of the kind proposed now at Saklespur and that it is enough if additional staff is sanctioned only for additional wards, the medical staff remaining as at present. I am to request you to submit proposals on these lines for sanction of Government.

I have the honour to be,
Sir,
Your most obedient servant,

EDUCATION SECRETARY Received Sir, Date 5-2-47

Sub: Additional staff for the new Crawford Hospital, Saklespur.

With reference to your letter No.M.5034/Med. 63-46-4 dated the 15th November 1946 on the aboye subject, I have the honour to state that the new Crawford Hospital at Saklespur is a special institution built out of the generous donations paid by Col.Crawford and other residents of Saklespur and is not an addition added to the existing Local Fund Hospital building. The institution has to run almost like a District Hospital with in-patient wards accommodating about 50 beds, maternity section and labour and operation theatres. Col. Crawford has given a further donation of Rs.30,000/- towards an endowment fund. The equipment required for this new hospital has already been sanctioned (vide Government Order No.M.3244-6/Med.24-45-56 dated 23rd September 1946) and further action is being taken for the purchase of the articles of equipment. The construction of the building is almost complete and the institution has to start work shortly. The additional staff proposed is the minimum required for the new institution and is absolutely necessary. I, therefore, request that Government may be pleased to reconsider the question and accord sanction for the additional staff required.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.

D.7.N. 4.1.46.5

CIRCULATION NOTE.

Subject:- Additional staff for the new Crawford Hospital, Saklespur.

The question of starting a new hospital at Saklespur was taken as one of the Post-war Schemes of Medical Development and has been commended by the Public Health and Co-ordination Committees.

The Senior Surgeon has reported that the new Crawford Hospital Building is completed and has therefore proposed certain additional staff at an extra cost of Rs.14,440/- per annum.

The pay and allowances of Assistant Surgeons, Sub-Assistant Surgeons and Nurses has been revised, since, and extra cost has to be according to the revision recently sanctioned. The scale of pay proposed for menial staff is also capable of reduction to some extent Taking the revision of scales and the possible reduction in the strength and scale of pay of the menial staff, it is proposed to sanction the staff as indicated in the statement annexed at an extra average cost of Rs.1,630/- per mensem or Rs.19,560/- per annum.

The equipment required for this hospital has already been sanctioned in Government Order No.M.3244-6/Med.24-45-56 dated 23rd September 1946.

This has been ordered to be disposed of by circulation.

Secretary to Government,
Education Department.
